TOWN DEAL

HAVE YOUR SAY ON THE FUTURE OF REDCAR

Have your say on Redcar's future

Local businesses and residents are invited to help decide which exciting regeneration projects should be part of the final submission for the multimillion pound plan to make Redcar a vibrant, sustainable town.

So far, projects suggested include a new centre for water sports and outdoor activities, an indoor Family Activity Centre for bowling, clip and climb, trampolining and a new outdoor events space linking the seafront to the High Street. A new Centre for Energy at Redcar & Cleveland College is also proposed.
