## Staff Encouraged to Switch to Electric Vehicles

A scheme aimed at employers provides a grant that can cover up to 75% of the costs of the purchase and installation of electric vehicle charge-points. The scheme is intended to encourage more employees to move over to electrically powered cars. For further information on the **Workplace Charging Scheme (WCS)** click here (<https://www.gov.uk/guidance/workplace-charging-scheme-guidance-for-applicants>).
