Wilton Centre described as 'hive of innovation' as new tenants arrive

International law firm Womble Bond Dickinson (WBD) has underlined its commitment to Teesside by moving into a bigger office at the Wilton Centre.

The company's expansion is further evidence of the centre's attraction due to its location and the quality of its working environment, shared spaces and amenities.

DigitalCity's Impact Assessment

Has your business engaged with DigitalCity since August 2019?

DigitalCity would love to hear more about your business's journey. It will help inform future services offered and it could be included within a series of case studies.

This will help demonstrate the impact of the DigitalCity ERDF project and this will be great promotion for your business as it will be shared on our website and social media channels.

Please get in touch with info@thedigitalcity.com if you have added new members to your team or built a new product or service since working with DigitalCity through one of their programmes or consultancy support.

For more information, please click here (<https://thedigitalcity.com/news/digitalcitys-impact-assessment/>).

Our Business Engagement Team is here to help you and your business. Contact the team on 01642 444366 or email business@redcar-cleveland.gov.uk.
