## LOCATION

The site occupies an enviable seafront position on Majuba Road to the north of Redcar Town centre and benefits from superb panoramic sea views to the north east and west. The immediate area and the town in general are currently going through an exciting transformation with significant private and public sector funding which will deliver a range of new developments and facilities for the town.

The overall Coatham seafront masterplan has been proposed to totally regenerate the seafront along Majuba Road to create a leisure based destination with quality landscaping and public realm.

The first phases of the masterplan have been delivered with an Adventure Golf Course and Coastal Activity Hub immediately to the west now being fully operational since spring 2024; both of have injected vibrancy into the seafront area of the town. The eastern side of Majuba Road car park has been uplifted with new grassed areas, hard landscaping, lighting and a re-modelled carpark which will serve the seafront area.

A new 100 space car park has also been created on the Coatham Bowl site. The car park sits alongside a new grassed recreation space with the whole of the old bowl site having been landscaped and improved.

Along with the new Regent Cinema, existing Redcar Beacon and Boating Lake Facilities to the east, a fully accessible and free adventure play area has also been developed adjacent to the adventure golf facility. Further development in future phases will also enrich and secure the town as a vibrant coastal destination.

This property therefore provides an operator with a fantastic opportunity to secure a prime seafront position and brand new facility with reduced upfront capital expenditure as a result of the quality of the building and its excellent state of repair.

## DESCRIPTON

The property is a uniquely designed two storey youth and education facility which benefits from its seafront positioning. Internally it offers a range of performance, office and meeting space, along with kitchen, changing, storage and plant rooms.

The gross internal area extends to 17,318 sq. ft. (1,609 sq. m.).

The property is accessed via a block paved private driveway from Majuba Road to the south, with a private car parking area located to the front of the building. A refuse area is located on site adjacent to the building. A grassed area is located between the building and Majuba Road which provides an open and attractive aspect to the front elevation.

Surrounding uses include The Boathouse and Terrace immediately to the east, with Coatham Adventure Play Park and Adventure Golf Facility located immediately to the west. Coatham Bowl Car Park and Coatham Green are located to the south.

## SERVICES

We are advised that main services to the building are connected, however, interested parties should make their own enquiries of the utilities companies.
