

Make a doodle diary to take with you on a walk. Have fun searching for the interesting and unusual things we sometimes miss and then storing them in your diary.

YOU WILL NEED

A little book: instructions are on the Museum's YouTube
Pen or pencil
Something to lean on
A family walk

STEP ONE

Before your walk, design your cover page. What's your title? Does it need a drawing? Remember to add your name as the author.

STEP TWO

Page 1 – Before your walk, write the heading 'Today is...'. Fill the page with doodles about things like the weather, where you're going, how you feel, or who you're with.

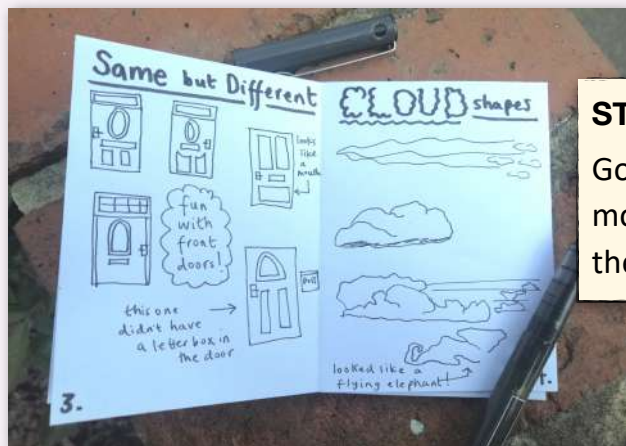

STEP THREE

Page 7 – Write 'My Walk' at the top of the last page of your book. Draw a picture of yourself or stick on a photo. Leave space to write about the walk when you get back.

STEP FOUR

Pages 2 - 6 – Before your walk, write your headings. They could be people and animals, smells and sounds, same but different, noticing details, giant things and tiny things, or cloud shapes.

STEP FIVE

Go on your walk! Look out for places you could stop for a moment and draw. Have fun noticing things and doodling them, filling in the pages in your little book.

STEP SIX

Back at home you could add colour to your doodles. Remember to fill in the back page with a little summary of your walk.
